Synopsis:

Recently-married bride Saya loses her husband to a car accident soon after the birth of their son. Yutaro however is not ready to rest in peace and leave his family just yet. Instead, he possesses the people around his wife in order to help her settle in the countryside as a single mother. Through Yutaro's intervention, Saya obtains new friends and gets to spend a little bit more time with the dearly departed—even if it means she doesn't know how he will look like the next time he appears in her life.
